Property Address:

Briefly explain the proposed construction.

Name, address and phone number of contractor or party responsible for completing the desired work

Provide a detailed description of the materials and colors to be used. This must include all dimensions, material type & color, height, linear feet (fence), location on plot plan, and any other relevant details.

The following items must be attached (if applicable) with your application for approval

- a) A copy your lot plan which indicates the placement of the proposed construction
- b) A drawing or picture of the project, including dimensions, as it will appear after completion.

I, _____, do acknowledge and understand the approval of the Architectural Control Committee (ACC) is from an architectural view only. I further understand any proposed construction may also be subject to a city or county building permit and inspection, which may be obtained by application from the city or county where my property is located.

I further understand that any fence, swimming pool or structure which is situated within any utility and drainage set back remains subject to damage or removal at my own expense, in the event that it interferes with maintenance performed by my local utility company or is deemed necessary by the county where my property is located. I further acknowledge that Crown Pointe HOA shall not be held responsible in any way, for any post-closing construction, regardless of having obtained ACC approval.
